In re: *Approval of the Amendment to the Interconnection Agreement Negotiated by BellSouth Telecommunications, Inc. and Aeneas Communications, Inc. Pursuant to Sections 251 and 252 of the Telecommunications Act of 1996*
Docket No. 01-00835

PETITION FOR APPROVAL OF THE
AMENDMENT TO THE INTERCONNECTION AGREEMENT
NEGOTIATED BETWEEN BELLSOUTH TELECOMMUNICATIONS, INC.
AND AENEAS COMMUNICATIONS, INC.
PURSUANT TO THE TELECOMMUNICATIONS ACT OF 1996

COME NOW, Aeneas Communications, Inc. ("Aeneas") and BellSouth Telecommunications, Inc., ("BellSouth"), and file this request for approval of the Amendment to the Interconnection Agreement dated January 9 2001 (the "Amendment") negotiated between the two companies pursuant to Sections 251 and 252 of the Telecommunications Act of 1996, (the "Act"). In support of their request, Aeneas and BellSouth state the following:

1. Aeneas and BellSouth have successfully negotiated an agreement for interconnection of their networks, the unbundling of specific network elements offered by BellSouth and the resale of BellSouth's telecommunications services to Aeneas. The Interconnection Agreement was approved by the Tennessee Regulatory Authority ("TRA") on April 3 2001.
2. The parties have recently negotiated an Amendment to the Agreement which adds rates in Exhibit C of Attachment 2 to the Agreement. A copy of the Amendment is attached hereto and incorporated herein by reference.
3. Pursuant to Section 252(e) of the Telecommunications Act of 1996, Aeneas and BellSouth are submitting their Amendment to the TRA for its consideration

and approval. The Amendment provides that either or both of the parties is authorized to submit this Amendment to the TRA for approval.

4. In accordance with Section 252(e) of the Act, the TRA is charged with approving or rejecting the negotiated Amendment between BellSouth and Aeneas within 90 days of its submission. The Act provides that the TRA may only reject such an agreement if it finds that the agreement or any portion of the agreement discriminates against a telecommunications carrier not a party to the agreement or the implementation of the agreement or any portion of the agreement is not consistent with the public interest, convenience and necessity.

5. Aeneas and BellSouth aver that the Amendment is consistent with the standards for approval.

6. Pursuant to Section 252(i) of the Act, BellSouth shall make the Agreement available upon the same terms and conditions contained therein.

Aeneas and BellSouth respectfully request that the TRA approve the Amendment negotiated between the parties.

This 18 day of Dec., 2002.

Respectfully submitted,

BELLSOUTH TELECOMMUNICATIONS, INC.
